---

1. COMES NOW Frederick L. Runyon, Plaintiff in the above entitled case, specifically to request an extension of time to reply with an opposition to the Defendants' Motion to Dismiss dated June 24, 2013 and received by me on June 25, 2013.
2. Defendants' Motion to Dismiss and Memorandum in Support of Motion to Dismiss will require time for me to research, develop an understanding of, and prepare an effective response to the number and complexity of issues raised in those filings.
3. Because I am representing myself I believe it is reasonable to assert that I need more time to prepare an effective response than would trained and experienced professional counsel.
4. Local Rule 7.1(b)(2) requires that an Opposition to a Motion be filed within 14 days after the Motion has been served. That date would be July 9, 2013. I will be away from home without access to my computer from July 3 until July 8.

5. For the above stated reasons I respectfully request an extension of time to file my Motion in Opposition until July 23, an additional fourteen days.

Dated this 27<sup>th</sup> day of June, 2013
